Respected Sir,

As a part of our regular educational activity we organize a lecture for Post graduate students at regular interval. For the purpose of sharing the rich clinical experience we invite the authorities who are in the field of Homoeopathy. Sir, we shall be glad if you will accept our invitation. We also request you to suggest two topics on which you will share your experience and two probable dates of your convenience. We are eagerly waiting for your earliest response so that we can plan out our further schedule.

Thanking You,

Dr. Pankaj C. Dave
Principal and superintendent
